## Summer Newsletter July 2013

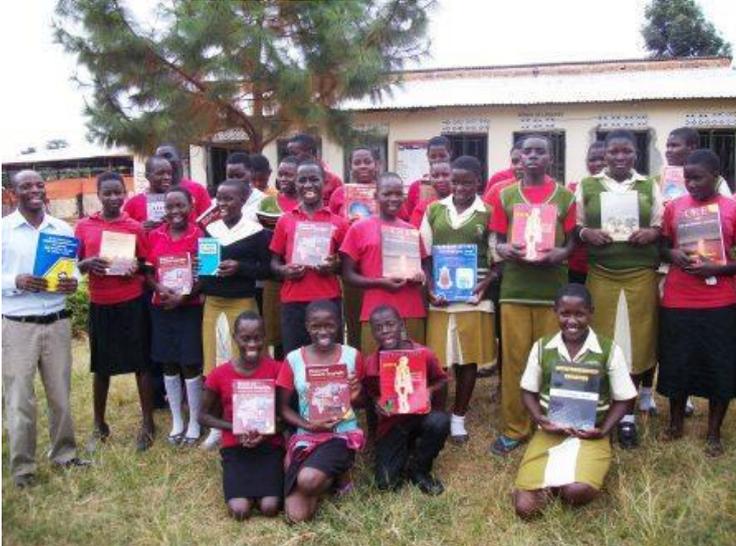

It's just a couple of weeks since I returned from Uganda from my annual visit and it was great to have with me Brenda Judd, Olivia Goodman and Bethany Pickering. We all worked well together and achieved what we had set out to do.

We took with us over 280 t-shirts, 2 sets of football kits for juniors and 11 senior football shirts, underwear, medical provisions and 1,200 toothbrushes as well as some extra football shirts. We also bought many mattresses, shoes and a new leather football and a netball. We were also able to pay for some of the older metal beds to be repaired.

A "big thank you" too to all those who not only helped towards these donations but also to those who provided the medical items that helped re-stock the clinic.

Alongside these purchases we also provided a large number of educational school books and urgently needed equipment to help update the Science laboratory.

At the time of writing this letter we have 70 children sponsored, out of a total of 551 children. There are 33 teachers (some are part-time) and 11 non-teaching staff such as matrons, cooks, cleaners, guards etc. There were many improvements to be seen on site both inside and outside the buildings.

The children are making good progress in their work as well as finding a place of safety and a feeling of being part of a large family.

We very much appreciate your support and encourage you if possible to come to our supporters (free) Annual Cream Tea at 2pm - 3.45pm at The King's Church, Drummond Rd. Thornton L23 9YP on 7<sup>th</sup> Sept. where we shall be showing a video of this year's trip and present a general review of our work .
